Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Lamb called Attorney Kerrigan in regard to the IDS filed 4/26/2004 to clarify whether pages 2-3 of the IDS belong to the instant application since they indicate a serial number which is different from the instant application. Attorney Kerrigan indicated that pages 2-3 belong to the instant application and requested that the examiner line through the serial number and applicant name on pages 2-3 of the above cited IDS such that they correspond to the instant application. .
